## **What happens next?**

(Welcome to my first stranger things story I hope you enjoy) A girl with long brown hair and blue-hazel eyes walks through the upside down towards the Demogorgon it says something to her and she stares at it for a second before answering "Who? Oh wait that's the girl who closed the gate!". The Demogorgon nodded as the girl continued to speak, "And you want me to travel back in time, leave the upside down, travel back here, kill her, and get the gate back open again so we can take over. Am I correct?" The Demogorgon nodded again and there was a flash of light and the girl was gone and the Demogorgon was alone
